A. No person shall, on the grounds of race, color, creed, national origin, religious affiliation or non-affiliation, sex, sexual orientation, marital status, age (over 40), disability, medical condition (including but not limited to AIDS, HIV positive diagnosis or cancer), political affiliation or union membership be excluded from participation in, be denied the benefits of, or be subjected to discrimination under this Agreement.

Prospective Bidders shall ensure equal employment opportunity based on objective standards of recruitment, selection, promotion, classification, compensation, performance evaluations, and management relations, for all employees under any contract that may result from this submittal. Prospective Bidders' personnel policies shall be made available to County upon request.
- C. Prospective Bidders shall assure compliance with section 504 of the Rehabilitation Act of 1973 by submitting a signed letter of compliance. Prospective Bidders shall be prepared to submit a self-evaluation and compliance plan to County upon request within one (1) year of the execution of any agreement that may result from this submittal.
- D. Prospective Bidders must comply with the County Ordinance Code with respect to the provision on employee benefits. As set forth in the ordinance, such Prospective Bidders are prohibited from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.

7.02 The County reserves the right to accept or reject any or all RFSOQ's submitted, or to request clarification or additional information or an alternative presentation of data from any Prospective Bidder, at the County's sole discretion. Further, while every effort has been made to ensure the information presented in the RFSOQ is accurate and thorough, the County accepts no responsibility or liability for any unintentional errors or omissions in this document. Should a Prospective Bidder realize during the review process that there has been a substantive error or omission in its submittal, which does not alter basic services and has not already resulted in disqualification from participating in the RFSOQ process for other reasons, said Prospective Bidder is invited to submit to the Project Executive a written request and explanation of Prospective Bidder's desire to correct its submittal. It shall be at the sole discretion of the County's selection committee to decide whether to grant Prospective Bidder's request to correct its RFSOQ submittal.

7.03 All submittals become the property of the County. California Government Code Sections 6250 *et seq.* (the "Public Records Act") defines a public record as any writing containing information relating to the conduct of the public business. The Public Records Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The County is subject to the California Public Records Act.

Any contract that eventually arises from this RFSOQ is a public record in its entirety. Failure to comply with the procedures in this Section constitutes a waiver by the submitting party of any claim that the information is protected from disclosure.

If you submit information you claim is protected from disclosure as a trade secret or on any other basis, you must do **all** of the following:

- (i) Identify each page of such material as "CONFIDENTIAL";
- (ii) Place all such pages in a separate tab in the appropriate section of your submission as listed below; and
- (iii) **Submit with your Statement of Qualifications a proposed non-disclosure agreement for review.**

For example, if your response contains confidential materials in Tabs 5 and 6, you should include separate tabs labeled "Tab 5-CONFIDENTIAL" and "Tab 6-CONFIDENTIAL" in the appropriate sections of your submission, and each page within those tabs must have the label

"CONFIDENTIAL" on it. In this way you must segregate such materials in relation to each tab. You must also submit a proposed non-disclosure agreement.

Over-designation of materials as confidential, such as designating every page of a submission, may result in rejection of the entire submittal at the County's sole discretion. Failure to designate a portion of your submission as confidential means that you consent to that portion's release by the County if requested under the Public Records Act without further notice to you and that you will indemnify and hold harmless the County for release of such information.

The County of San Mateo does not represent or guarantee that any information submitted in response to this RFSOQ will be kept confidential. If the County receives a request for any portion of a document submitted in response to this RFSOQ that complies with the procedures in this Section, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal but will notify the party that marked the pages/information "CONFIDENTIAL." It is the responsibility of the person or entity submitting the response to assert any applicable privileges or reasons why the portion of the document so marked should not be produced. If material is designated as confidential, the County will attempt in a timely manner to inform the person or entity that submitted such material of the public records request in order to permit the person or entity to assert any applicable privileges.

To the extent consistent with applicable provisions of the Public Records Act and applicable case law interpreting those provisions, the County and/or its officers, agents and employees retain the discretion to release or withhold disclosure of any information submitted in response to this RFSOQ. In accordance with Section 6255 of the Government Code, County does not intend to make public any documents submitted in response to this RFSOQ until after County issues a notice of intent to enter into a Contract with the successful Prospective Bidder.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a respondent's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

- 7.04** Successful and unsuccessful Prospective Bidders will receive a written notification of whether their submittal was elevated to the next phase of finalist evaluation. The written notification will be sent to the name and address of the authorized officer of the firm provided in the RFSOQ submittal. The timing of written notification to Prospective Bidder is entirely at the County's sole discretion.

PART 8 – REVIEW PROCESS

8.01 Review of RFSOQ's

- A. The County will evaluate the information based on materials submitted in response to this RFSOQ.
- B. Prospective Bidders should prepare their response according to the RFSOQ format, i.e., by section and paragraph of this RFSOQ. The County reserves the right to reject any RFSOQ not submitted within the required timeframe; reject any incomplete RFSOQ submitted; contact client references; require further information; and/or require interviews with any Prospective Bidder. All costs related to the preparation, submittal, and/or presentation of an RFSOQ are the responsibility of the Prospective Bidder and will not be assumed in full or in part by the County.
- C. Following a review of the submitted RFSOQ's, the Sheriff will inform each Prospective Bidder in writing as to whether it is qualified to submit a bid.

8.02 Appeal of Disqualification

Prospective Bidder may dispute its disqualification as follows: The Prospective Bidder may, within two business days of receipt of the County's letter of disqualification, rebut in writing any evidence used as a basis for disqualification and present written evidence as to why the Prospective Bidder should be found qualified. The Sheriff, or his designee, will review the Prospective Bidder's letter and make a final determination within fourteen calendar days of receipt. The Sheriff's decision shall be made at least one day prior to the closing time for receipt of bids and shall be final. Written appeals should be addressed directly to Sheriff Greg Munks at 400 County Center, Redwood City, CA 94063. Appeals received after the deadline will not be accepted.

PART 9 – GENERAL CONDITIONS

- 9.01** The RFSOQ should be clear and concise to enable the County to make a thorough evaluation and arrive at a sound determination as to whether the RFSOQ meets the County's requirements. To this end, each RFSOQ should be specific, detailed, and complete as to clearly and fully demonstrate that the Prospective Bidder has a thorough understanding of and has demonstrated knowledge of the requirements to perform the work (or applicable portion thereof). The RFSOQ must be verified under oath by the Prospective Bidder and each of its members.
- 9.02** Any explanation or question from a Prospective Bidder regarding the meaning or interpretation of this RFSOQ must be requested in writing, by email only to Sam Lin, Project Manager (slin@smcgov.org) prior to the date and time listed in 2.04 above. Responses to submitted questions will be posted on the Sheriff's Office Jail Planning webpage by the date listed in 2.04 above. - <http://www.smcsheriff.com/jail-planning/announcements>**
- 9.03** The submission of a RFSOQ does not commit County to award a contract for the Project, to pay costs incurred in the preparation of a RFSOQ or to procure or contract for any services. Costs for preparing the RFSOQ will be paid entirely by the Prospective Bidders.
- 9.04** County reserves the right to interpret or change any provision of this RFSOQ at any time prior to the RFSOQ submission date. Such interpretations or changes shall be in the form of addenda to this RFSOQ and posted on the Sheriff's Office webpage. County, in its sole discretion, may determine that a time extension is required for submission of RFSOQ's, in which case such addenda shall indicate a new RFSOQ submission deadline. County reserves the right to waive inconsequential deviations from stated requirements.
- 9.05** County retains the right to reject any and all RFSOQ's, to contract work with whomever and in whatever manner County decides, or to abandon the work entirely. County shall make final decisions regarding a Prospective Bidder's qualifications as of Bid day. All decisions concerning Prospective Bidder selection shall be made in County's best interests.
